WT Docket No. 06-150
WT Docket No. 06-169
WT Docket No. 06-229

Dear Ms. Dortch:

On April 16, 2007, Don Brittingham and the undersigned met with Nicholas Alexander, Acting Legal Advisor to Commissioner Deborah Taylor Tate, on the above-referenced rulemakings. The views we expressed were consistent with Verizon Wireless' positions as described in its previous filings in these proceedings. In particular, we addressed the importance of flexible build out rules; the rules governing power limits; the adoption of service areas that are not so small as to limit interest of prospective bidders; and the importance of the prompt and timely adoption of rules allowing the auction to go forward consistent with Congressional deadlines.

Pursuant to section 1.1206(b)(2) of the Commission's rules, an electronic copy of the letter is being filed for inclusion in the above-referenced docket. Please direct any questions regarding this filing to the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "Charla M. Rath", written in a cursive style.
